Data Availability:

Dataset 1: Plasma samples

Data Type: tabular data - sample table

Location: <https://doi.org/10.5061/dryad.v7r0b>

Dataset 2: Flow cytometry data

Data Type: flow cytometry

Location: <https://www.immport.org/shared/study/SDY1655>

Dataset 3: Absorbance spectra

Data Type: tabular data - immunoassay

Location: <https://doi.org/10.5061/dryad.v7r0b>

Dataset 4: Cell nuclei fluorescence imaging

Data Type: Image - Microscopy

Location: <https://doi.org/doi:10.7295/W9CIL40482>
